23:00				

## QUESTIONS TO SPEAKERS

You can ask your question at the end of each session during the panel discussion.

**There are two ways of doing this:**

- **By using the microphone** in the conference room that the hostesses will hand to you.
- By using the phone system available on your row. **You can send a TEXT message** during the session (max 127 characters).  
The chair will select the questions.
